What's Included in Audit Defense?

Audit and Examination Assistance

Whether it's an IRS audit or a less intensive examination, we'll handle correspondence, provide expert communication, and work to resolve the issue efficiently.

Tax Notice Assistance

Got an IRS or state tax notice? We'll help you interpret it, respond appropriately, and ease your concerns.

Financial Protection

If an error is due to our tax preparation, we'll reimburse you for additional taxes, penalties, or interest—up to the amount you paid for our tax preparation and services for that year.

Key Details You Should Know

Optional, Add-on Service

Audit Defense is available for the tax year you select when accepting your engagement proposal. This service applies only to that tax year and cannot cover prior or future years.

Scope of Service

We support communication and resolution efforts with federal and state taxing authorities. If Tax Court representation is necessary, a separate engagement will be billed at our standard hourly rates.

Exclusions

This service does not cover fraud, undisclosed income or transactions, or intentional misrepresentation. Additionally, it is not a substitute for legal or financial advice.

Why Choose Audit Defense?
